Description of Improvement. Include diagram, picture, colors, drawing, brochure, types of materials, dimensions or other information that will be helpful to understanding your request.

I understand that approval of the Association is required in advance to proceed. I also understand that the approval does not constitute approval of the local City/County building departments and that a Building Permit may be required. I agree to complete all proposed improvements promptly after receiving approval. I understand that any change in drainage and elevation must not negatively impact neighboring properties. I understand that any change in drainage and elevation may affect builder warranties and are not the responsibility of the HOA and must contact the builder directly for verification.
